- 1) Heat A to 45 C under mixing.
- 2) Heat B in a separate tank to 45C under mixing until homogeneous.

- 3) Add B to A. Cool.
- 4) At room temperature, add C one ingredient at a time under mixing.

FORMULATIONS

Detox Shower Oil (#RO-016-20-A)

SPECIFICATIONS

pH:	5.0-5.5
viscosity:	40-80 cPs (Brookfield LVT, Spindle 2, 12 rpm)
appearance:	transparent, non-viscous liquid
color:	moss green
odor:	characteristic/fresh

FEATURES AT A GLANCE

#SkinConditioning
#Fresh
#NaturallyColored
#Antioxidant
#GentleCleansing

FEATURES AND BENEFITS

This decadent Detox Shower Oil is rich in emollients to deliver gentle cleansing to the skin. **Plantapon AF**, a soft & mild emulsifier, allows to infuse high amounts of emollients – roughly 40% in this formula – while providing foam. It imparts pleasant skin feel after use & helps to maintain skin moisture balance. The emollients used in this shower oil is also eco-friendly & effective: **Cetiol RLF** is a light, NPA approved ester that is suitable for sensitive skin; **Floramac 10** provides skin feel that is similar to silicones in addition to being naturally derived; **GEM EHP** is an ethylhexyl palmitate that is sustainably manufactured by using enzymes; **Rainforest Acai Oil – Refined** is environmentally friendly as its harvest helps the preservation of native biodiversity in the Amazon. It also contains essential fatty acids (omega 6 & 9) and vitamins A&C, which allows it to act as a strong antioxidant and provide ample moisturization. **Full Detox Eucalyptus**, an extract of whole Eucalyptus leaf cells, helps to detox the skin. The unique moss green color of the shower oil is due to the blend of natural plant extracts – **Siddha Medico Indra Neelam Yenai**.
