FEATURES AND BENEFITS

Enrich the skin's barrier with this luxurious emulsion, formulated with natural botanical antioxidants from **Beracare ARS Body**. **Cetiol RLF**, an enzyme-catalyzed natural emollient, imparts a pleasant dry skin feel, while the **Floralipids Moringa Oil**, an oxidatively stable botanical oil, provides the masque a cushiony emollience as it delivers oleic acid & behenyl glycerides to the stressed skin. The cream will improve the skin's barrier, hydration, firmness, and elasticity with **L22**, a strategic blend of botanical esters that mimic the skin lipid profile of a healthy 22-year-old. Revitalize the skin with the **Campo South Pacific True Monoi Oil**, an oily undiluted extract of the plumeria flower blossom. **Dermatein Power Powder II - All Around** pumps up the cream with its cocktail of classic, functional ingredients while **Olivem 1000**, the original natural emulsifier with olive origins, forms liquid crystals to enhance the delivery of the actives. Soothing ingredients, like **Purify Aloe Vera** and **CP Oat Beta Glucan Liquid**, give the skin the rest it needs.
